¹ Fuel consumption, CO₂ emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (February 2023) and applicable for vehicles manufactured from April 2023, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia. Smartphone integration may from time to time experience interruptions due to necessary ongoing technical developments. * Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$71,849 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$84,916.

This specification guide is for business use only and must not be distributed to customers.

\$72,909

\$80,200

\$80,200

Powertrain and technology

- TwinPower Turbo 4-cylinder petrol engine
- 8-Speed Steptronic Sport automatic transmission with gearshift paddles
- M Sport Suspension
- Driving Experience Control including SPORT, COMFORT and ECO PRO
- Auto Start/Stop function
- Brake pad wear indicator
- Electric power steering with Servotronic
- Variable sport steering

Safety

- Active Protection
- Airbags, 8 in total: front airbags for driver and front passenger, side airbags for driver and front passenger integrated in the seat backrest bolsters, head airbags for all 4 outer seats.
- Central locking with electronic immobiliser
- Dynamic braking lights
- Automatic Stability Control (ASC), Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Braking Assistant, Cornering Brake Control (CBC), Dynamic Traction Control (DTC)
- Warning triangle and first aid kit
- Runflat tyres

Driver assistance

- Active Cruise Control with Stop&Go function
- BMW Head Up Display
- Driving Assistant, incl. lane departure warning, lane change warning, front collision warning with brake intervention, rear crossing traffic warning, rear collision prevention
- Parking assistant, incl. Reversing Assistant, Park Distance Control front & rear, Lateral Parking Aid, Rear View Camera
- Speed limiter
- Speed Limit Info

Light and sight

- LED headlights
- High-Beam Assistant
- Exterior mirrors with automatic anti-dazzle function driver's side, electrically adjustable and heated, with electric fold-in function
- Interior anti-dazzle mirror
- Rain sensor
- Follow-me-home function, if the headlight flasher is activated after the ignition is shut off, the low-beam headlights continue to shine for a set time

Exterior design and equipment

- 18" M light alloy wheels Double-spoke style 848 M Bicolour with mixed tyres
- BMW kidney grille with struts and frame in Pearl Chrome
- M High-gloss Shadow Line, window frame and air breather surround in black
- M Aerodynamics package, aerodynamic front and rear bumper trims, side sills
- Exhaust tips, 100mm diameter

Interior design, comfort and equipment

- Upholstery, Alcantara/Sensatec combination
- 1 x USB port Type A, 1 x USB Type C in front
- 2 x USB port Type C in centre console, rear
- Automatic climate control, 3-zone control
- Sport seats for driver and front passenger
- Electric seat adjustment for driver and front passenger, incl. memory function for driver
- Floor mats
- Ambient Interior Lighting
- Galvanic Embellishers for controls
- Comfort Access system
- M door sills, front
- M Headliner Anthracite
- M Interior trim finishers Aluminium Rhombic Anthracite
- M leather steering wheel with multifunction buttons
- Through-loading system with 40:20:40 split
- Storage compartment package

BMW ConnectedDrive

- Intelligent Emergency Call
- BMW TeleServices
- Wireless smartphone integration for Apple CarPlay and Android Auto
- Vehicles apps (News and Weather)*
- BMW Intelligent Personal Assistant*
- Caring Car*
- Remote Software Update*
- Connected Package Professional* incl. Remote Services*, Real Time Traffic Information (RTTI)*

* 3 year subscription

Entertainment, communication and information

- BMW Live cockpit Professional with 12.3" instrument display and high-resolution 14.9" Control Display with BMW Operating System 8
- DAB+ digital radio
- Wireless smartphone charging
- HiFi Loudspeaker system, 10 speakers, 205 W Digital amplifier

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the program offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of a dynamic range of Ultimate Driving Machines.

1. BMW COMPACT DRIVING EXPERIENCE

A half day taster of the BMW Driving Experience courses.

2. BMW ADVANCE 1 DRIVING EXPERIENCE

An exciting introduction into performance driving, the one day course simulates unforeseen oversteer & understeer experiences, ideal driving lines and emergency braking.

3. BMW ADVANCE 2 DRIVING EXPERIENCE

After completing our Advance 1 course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

The aim of the program is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

BMW Driving Experience offers a range of courses which are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors.

To find out more about BMW Driving Experience courses and dates, please call 1800 000 269 or visit www.bmwdrivingexperience.com.au

IMMERSE YOURSELF IN THE WORLD OF BMW.
