

Next-Generation

# Everest

2022MY

The Ford logo is displayed in white script on a dark blue curved background in the bottom left corner of the image.

# Are you ready to Everest?

More room, comfort and capability. Next-Gen Ford Everest is an SUV without compromise. Tough on the outside, a sanctuary on the inside, and ready for everything ahead of you and your family. You demanded it, we built it.

### 3.0L V6 Turbo Diesel power

A powerful new 3.0L V6 Turbo Diesel engine<sup>8</sup> headlines an exciting range of Diesel engines. Standard on Sport and Platinum models, the 3.0L V6 delivers 184kW of power and 600Nm of torque.

# Next-Gen power & capability

Next-Gen Everest features a choice of premium engines that deliver power and torque for towing, hauling and off-roading and come standard with Ford's efficient 10-speed automatic.

### Ultimate towing experience

3500kg max towing capacity<sup>1</sup> is just the start. Next-Gen Everest is loaded with features and tech to help make towing easier and safer.

### Selectable Drive Modes<sup>2</sup>

Next-Generation Everest gives you command of up to six on- and off-road drive modes to help master every terrain: Normal, Eco, Tow/Haul, Slippery, Mud/Ruts,<sup>3</sup> Sand.<sup>3</sup>

# Driver Assistance

## Active Park Assist 2.0<sup>4</sup>

Standard on Platinum only Active Park Assist 2.0 helps reduce the stress of parking by taking over the steering, shifting, braking and acceleration to navigate parallel or perpendicular parking spaces with ease. The system also includes Park Out Assist, which provides assistance when exiting a parallel parking spot.

## Blind Spot Monitoring with Cross Traffic Alert and Trailer Coverage<sup>5</sup>

Helps you change lanes, alerts you when a vehicle enters the blind spot zone and will even resist the lane change if the driver misses the warning. Cross-Traffic Alert warns of traffic approaching from the sides when the vehicle is in reverse.

## Evasive Steer Assist<sup>2</sup>

If Pre-collision Assist determines the distance is too short to brake in time to avoid a collision, your Everest will provide steering support (without steering for you) to help you avoid the obstacle.

## Now with 9 Airbags

In a first for Everest, there are now 9 airbags available, including an airbag in between the front passengers, giving extra protection from side impacts.

## 5 Star Safety Rating<sup>6</sup>

Everest includes a network of safety features and smart driver assistance technology, working together to protect you. Drive with confidence knowing that the Ford Everest has achieved the maximum ANCAP safety rating of 5-stars.

The best thing to share is experience

You seek wild and untamed places with your loved ones. Only those who put in the effort will know the rewards.

# Enough space for the biggest life

Next-Gen Everest is more spacious than ever, with more room and enough storage for every passenger.

## Next-Gen Ford Everest Third Row Seating<sup>7</sup>

Everest's third row is wider, with more leg room, improved seats and easier access. Overhead vents keep the air circulating and the rear passengers cool and comfortable. The cabin is quieter, so conversation can flow easily. Of course, side curtain airbags are standard.

## Next-Gen Ford Everest 7 seats. Space for family comfort<sup>7</sup>

Everyone should be comfortable, no matter where they are sitting. Next-Gen Everest is more spacious than ever, with every passenger getting more room. On the Platinum model, the Panoramic Roof adds to the sense of openness and adventure.

## Next-Gen Ford Everest handsfree power liftgate<sup>8</sup>

Hands full? Open the liftgate just by kicking your foot under the sensor. Next-Gen Everest's liftgate is wider for easier loading, opens and closes faster, and is designed to fully operate even with a conventional trailer attached.

### Wireless Connection<sup>9</sup>

Connect to Apple CarPlay<sup>TM9</sup> and Android Auto<sup>TM9</sup> without a cable in sight. This cordless connection makes life easy and uncluttered.

Platinum Interior Shown

## Connect anywhere<sup>13</sup>

Every Everest comes fitted with an embedded modem known as FordPass<sup>13</sup> Connect.

Once activated, using the FordPass App on your smartphone you can locate your vehicle, lock and unlock the doors, and even start the engine remotely.

Remote Start to heat or cool the cabin to last known setting.

Receive Health Alerts or check Vehicle Status.

Check your fuel levels remotely

For more information, visit [ford.com.au/fordpass](http://ford.com.au/fordpass)

# Effortless interactivity

The Next-Gen Everest lets you experience a whole new world of connectivity, with wireless charging<sup>10</sup> wireless connection<sup>9</sup> and the SYNC<sup>®</sup> 4A<sup>11</sup> infotainment system.

### SYNC<sup>®</sup> 4A<sup>11</sup>

An interactive in-vehicle communication and entertainment system with a host of features, made easier by the system showing your last 5 actions, wireless smartphone integration, and a 10.1-inch or 12-inch touchscreen.<sup>12</sup>

### Wireless Charging Pad<sup>10</sup>

Avoid the hassle of having to plug in your phone. Simply place it on the Everest's wireless charging pad and you're good to go.

Wireless Charging Pad<sup>10</sup>

# Next-Gen ownership experience

We're constantly introducing new tools and services, designed to adapt to your needs throughout the life of your vehicle.

Got questions? Speak with our Everest Expert. Get personalised expert advice to learn about the advanced features of the Next-Gen Everest, or even buying advice on what model best suits your lifestyle. Our Experts can be accessed via [ford.com.au](http://ford.com.au). If available you can speak to them live or make a booking for a future appointment, all at a time convenient to you.

Launching later this year, the Discover Your Ford learning hub will be available to help you with everything from connecting FordPass to making the most of Drive Modes. Plus there's lots more to come!.

## Ford Premier Motor Insurance<sup>14</sup>

Ford Genuine Parts maintain the integrity of your car by ensuring it performs the way it's meant to.

It's the same with genuine Ford Premier Motor Insurance. Because it's made specifically for your Ford, it offers these key features to restore your car to how it was before the accident:

### 3 Year New for Old Replacement<sup>15</sup>

If your Ford is beyond repair and less than 3 years old, we'll replace it with a new one

### New Genuine Parts<sup>16</sup>

We look after the integrity of your Ford by only using New Genuine Parts, when possible

### Choice of Repairer

You can choose the repairer that suits you best, because we're all about offering you flexibility

### Flexible Payment Options<sup>17</sup>

We offer easy monthly repayments at no extra cost

For more information, visit [ford.com.au/owners/insurance](http://ford.com.au/owners/insurance)

# Service made easy

When you service at Ford with our factory trained technicians, your peace of mind is our top priority.

We use Genuine Ford Parts made for your vehicle (where possible) and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford service benefits on offer.

### Service Loan Car<sup>18</sup>

So we can keep you on the road when you're getting your car serviced, you can take advantage of our Service Loan Car program.

### Roadside Assistance<sup>19</sup>

Enjoy Ford National Roadside Assistance with your vehicle purchase and after each General Service at a participating Ford Dealer. Retail customers also receive Auto Club Lifestyle Membership.

### Low Price Tyre Guarantee<sup>20</sup>

Get great prices on the most trusted tyre brands. We'll match any competitors' price on selected tyres we stock, guaranteed.

Discover the full range of Ford service benefits by visiting [ford.com.au/owners/service](http://ford.com.au/owners/service)

Vehicle shown with optional Tow Pack

# Intelligent Oil Life Monitoring System (IOLM)

The way you drive can have a significant impact on how often your oil needs changing.

The Intelligent Oil Life Monitoring System measures the performance of your vehicle's oil and alerts you in the instrument cluster or FordPass App<sup>13</sup> when the oil needs changing.

# Nobody knows your Ford like we do

There's no better way to personalise your Ford than with the wide range of Ford accessories available for every model. From seat covers and floor mats, to bull bars, you'll find lots of options to make your Ford uniquely your own at one of our nation-wide Dealers.

Vehicle shown with optional accessories

## Genuine Quality

Every Ford Genuine and Ford Licensed Accessory has undergone a rigorous evaluation process by Ford engineers to ensure it's fully compatible with your vehicle for optimal integration and performance.

## Five Year Warranty

Enjoy complete peace of mind with all Ford Genuine and Ford Licensed Accessories, backed by a full Ford Warranty<sup>22</sup> of up to 5 Years and unlimited kilometres.<sup>21</sup>

## Australia Wide

Our vast national network of Ford Dealers means there's a fitment centre conveniently located near you. Always up-to-date with thorough knowledge of the newest products and latest technical information, your local Ford Dealership is the perfect place for all your accessory needs.

**4X4 ACCESSORIES**

## Order your Everest adventure-ready

Ford has joined forces with ARB to create an exciting range of 4x4 accessories designed for the Ford Everest. You can choose from a large selection of ARB Ford Licensed Accessories at your local participating Ford Dealer, backed by Ford's 5 year unlimited kilometre warranty<sup>22</sup> when fitted to your new Everest prior to delivery – and the range will continue to expand.

## Ford for good

From supporting national causes to community volunteering, we take our social responsibility seriously. Find out more at [ford.com.au/about/community](http://ford.com.au/about/community)

## Running a fleet?

Our Ford Fleet team is here to assist you in any way we can. Please call 1300 13 13 30 or email [askfleet@ford.com](mailto:askfleet@ford.com)

## Discover more at [ford.com.au](http://ford.com.au)

1. Maximum towing capacity-braked using a Genuine Ford tow pack. Subject to State and Territory regulations (optional as part of a pack at additional cost). To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual.

2. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.

3. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Some drive modes only available on Trend 4x4, Sport & Platinum models. Mud/Ruts & Sand modes intended for off-road use only.

4. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Standard on Platinum only. Not available on other variants.

5. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Only works with a genuine factory fit Ford Tow Bar.

6. To fulfill ANCAP requirements, Everests manufactured before 20 August 2022 will require a minor Lane-Keeping System (LKS) software configuration update, which will be completed by dealers at the complimentary peace of mind service.

7. Standard on Trend, Sport and Platinum only. Optional at additional cost on Ambiente.

8. Standard on Sport and Platinum only. Not available on Ambiente and Trend.

9. Apple CarPlay™ / Android Auto™ requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.

10. Wireless Charging only available with compatible phones.

11. Not all SYNC 4A features are compatible with all phones. For compatibility, see [ford.com.au/sync](http://ford.com.au/sync).

12. 10.1-inch touchscreen on Ambiente models. 12-inch touchscreen on Trend, Sport & Platinum.

13. Use of FordPass is subject to the FordPass Terms and Privacy Policy available on [ford.com.au/fordpass](http://ford.com.au/fordpass) and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings.

14. Insurance Conditions Apply: Available at participating Ford Dealers. Retail and Small business customers only. Eligibility for customer or vehicle is subject to meeting the Ford Premier Motor Insurance underwriting criteria and will be determined according to personal circumstances. To check eligibility, contact Ford Premier Motor Insurance on 1300 203 090. The insurer of this Ford Premier Motor Insurance is Allianz Australia Insurance Limited ABN 15 000 122 850, AFS Licence Number 234708, 10 Carrington Street, Sydney NSW 2000. In arranging this insurance Ford Motor Company of Australia Pty Limited ABN 30 004 116 223 ("Ford Australia") and the authorised dealers act on behalf of Allianz and not as your agent. Neither Ford Australia nor any of its related companies have any liability in respect of this policy. We do not provide advice on this insurance based on any consideration of your objectives, financial situation or needs. Cover subject to policy terms, conditions, limits and exclusions. Before making a decision about this insurance please consider the Product Disclosure Statement (PDS). The PDS and Target Market Determination are available by calling us. If you purchase this insurance we receive a commission from Allianz. For further information or assistance please contact 1300 20 30 90.

15. We will replace your vehicle with a new vehicle of the same make, model, engine size, features and paint type including any modifications, options and accessories, so long as it is available in Australia, provided: your vehicle is a total loss; you purchased it new (or as a demonstrator model) from the manufacturer or their dealer; where your vehicle is financed, your financier has given us written consent; and your vehicle is less than three years old from when it was first registered at the time it is declared a total loss.

16. If we accept a claim but are unable to fix a damaged part, where available in Australia at time of repair, we will use a new genuine manufacturer part. If new genuine is not available we will use genuine reconditioned or recycled manufacturer parts or Australian Design Rules certified new, recycled or reconditioned parts.

17. Premiums payable by instalments may be subject to minor adjustments (upwards or downwards) due to rounding and financial institution transaction fees may apply.

18. Available at participating dealers on scheduled services or overnight warranty repairs. Private and Blue, Silver and Gold Business Fleet customers only. Provision of a Service Loan Car may be dependent on advanced booking and availability. See [www.ford.com.au/service/t-and-c](http://www.ford.com.au/service/t-and-c) for full terms.

19. Available to Private and Blue Business Fleet customers with vehicles up to 7 years old from date of first vehicle registration. Roadside Assistance and Auto Club Lifestyle Membership is included for 12 months or until your next eligible standard service (whichever occurs first) at a Ford Dealership. Customers must comply with scheduled servicing intervals to maintain continuity of membership. See [www.ford.com.au/service/owners/t-and-c](http://www.ford.com.au/service/owners/t-and-c) for full terms.

20. The Low Price Tyre Guarantee offer is available to private retail and Blue Business Fleet customers on Hankook, Dunlop, Goodyear, Pirelli, Firestone, Bridgestone, Michelin, Continental, BFGoodrich, and General Tire tyres that are stocked by participating Ford dealers. Competitor tyres must be new and identical from an Australian tyre retailer. Offer includes "4 for 3" or similar competitor offers, but excludes competitor cashback offers, gift cards, "wheel and tyre bundles" tyres purchased under an instalment payment plan, clearance and liquidation stock, and any competitor quotes that cannot be verified. Customer must present a competitor quote for a competitor tyre (Competitor Tyre) that includes the date of generation, tyre specification information (i.e. brand, quality, size, speed, load, and sidewall) and price of the tyre. If the Competitor Tyre quoted price does not include fitment, the participating Ford dealer will deduct \$25 from their quoted price to determine the Price Match Tyre price. For quotes or advertising from online retailers or retailers located more than 80km from the participating Ford dealer, a freight charge of \$20 per tyre will be added to the quoted price to determine the Competitor Tyre price. Competitor quote date must be within 30 days of Price-Matched Tyre purchase date. Competitor quote can be presented at the time of purchase (in which case, the customer will pay the competitor price), or within 30 days of purchase (in which case, the customer will receive a refund equal to the difference between the amount paid at time of purchase, and the Competitor Tyre price). Competitor quote must be a printed quote or web-based advertisement. Ford reserves the right to call the competitor to verify the price and availability of the tyre quoted. Verbal or handwritten quotes, personal customer discounts, personal customer quotes received via email, and other quotes that cannot be verified are ineligible. Ford reserves the right to vary or withdraw the Low Price Tyre Guarantee offer at any time.

21. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees.

22. When fitted to your new vehicle prior to delivery. For full details please visit our Warranties page at: <https://www.ford.com.au/owners/warranties/>.

Indicative pre-production vehicle specifications and images shown. Specifications and features on production model may vary. Vehicle undercarriage should be cleaned with fresh water after driving on sand.

### Disclaimer:

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Some drive modes only available on Trend 4x4, Sport & Platinum models. Mud/Ruts & Sand modes intended for off-road use only. **2.** Mud/Rut Mode intended for off-road use only **3.** Sand Mode intended for off-road use only. **4.** Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, options and accessories, condition and use. **5.** Subject to State and Territory regulations. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. Payload is calculated by deducting the vehicle's Kerb Weight from its Gross Vehicle Mass (GVM). Payload (based on Kerb Weight) is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) are not exceeded. **6.** Measured laden to roof.

**S** = Standard   **O** = Factory Option that can be ordered before a vehicle is manufactured at an additional cost

**P** = Part of a Pack that can be ordered before a vehicle is manufactured at an additional cost

**Disclaimer:**

<sup>7</sup> Zone Lighting will not operate if battery charge is insufficient. The length of time that Zone Lighting will operate depends on the battery charge, the types of lights fitted to the vehicle (LED or Bulb) and other electrical loads connected to the vehicle. The system will automatically turn off after a period of time to preserve the battery's engine starting performance. Factory Options can be ordered before a vehicle is manufactured at additional cost. <sup>8</sup> Steel underbody protection included in the AT Tyre Pack on Platinum. Platinum receives plastic underbody protection as standard. Factory Options can be ordered before a vehicle is manufactured at additional cost. <sup>9</sup> Factory Options can be ordered before a vehicle is manufactured at additional cost.

**P** = Part of a Pack that can be ordered before a vehicle is manufactured at an additional cost

**Disclaimer:**

**9.** Factory Options can be ordered before a vehicle is manufactured at additional cost. **10.** Wireless Charging only available with compatible phones. **11.** Use of FordPass is subject to the FordPass Terms and Privacy Policy available on [ford.com.au/fordpass](http://ford.com.au/fordpass) and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **12.** BANG & OLUFSEN© 2022 and B&O© 2022. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive Systems Manufacturing Kft. All rights reserved. **13.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **14.** Connected Built-In Satellite Navigation is a Connected Service where eligible vehicles receive 1 year of service from the Ford Express New Vehicle Warranty start date, after which time the service may cease to be available, or may be subject to a subscription fee. Users must have created a FordPass App account (terms apply), have fully activated the vehicle's FordPass Connect modem and have SYNC Location set to 'on' to use this feature. **15.** Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4A features are compatible with all phones. For compatibility, see [ford.com.au/sync](http://ford.com.au/sync). **16.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **17.** Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off

**P** = Part of a Pack that can be ordered before a vehicle is manufactured at an additional cost

**Disclaimer:**

**18.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **19.** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Please see Owner's Manual for more information. iACC uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator. ACC and Lane Centering has a minimum operating speed of 20km/hr. Detection of lower speed limit will result in system entering standby. The Stop and Go functionality of this system operates as low as 0km/hr in traffic jam situations. Customers should read the Owner's Manual for full details of the limitations of the iACC system before activating the system. **20.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Factory Options can be ordered before a vehicle is manufactured at additional cost. **21.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Hill Descent Control on 4x4 models only. **22.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Evasive Steer Assist does not control steering. See Owner's Manual for details and limitations. **23.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Designed for use on rural roads at speeds of 65 – 110km/h. The feature does not detect every edge and does require a level of contrast between the road surface and the edge. **24.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Pre-collision Assist with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. It does not replace safe driving. See Owner's Manual for Limitations. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. It does not replace safe driving. See Owner's Manual for Limitations. **25.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. Please see the Owner's Manual for precautions and limitations. **26.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Factory Options can be ordered before a vehicle is manufactured at additional cost. **27.** Drivers are responsible for maintaining the correct legal speed limit at all times and should not rely solely upon the Traffic Sign Recognition system. **28.** Maximum towing capacity-braked using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. **29.** Factory Options can be ordered before a vehicle is manufactured at additional cost. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit. **30.** Factory Options can be ordered before a vehicle is manufactured at additional cost. **31.** Zone Lighting will not operate if battery charge is insufficient. The length of time that Zone Lighting will operate depends on the battery charge, the types of lights fitted to the vehicle (LED or Bulb) and other electrical loads connected to the vehicle. The system will automatically turn off after a period of time to preserve the battery's engine starting performance. Factory Options can be ordered before a vehicle is manufactured at additional cost.
